# BILL TO LIMIT **WORK DAY FOR**

It looks as if the bill intended to limit the hours of employment for wo-Rice, Metzger and Penhallow.

President Chillingworth even said he had heard Dr. Scudder denounce the child labor bill for the same defect that H. B. 74 contains-a clause that its provisions should be held in abeyance for 60 days in the busy canning season of the summer. If women's hours for work are to be limited, declared Penhallow, surely they should be limited and the workers Rice, Wirtz and Metzger thought the measure was discriminatory, offering no relief for the women in the fields.

The senate passed H. B. 74, amending the law forbidding labor on Sunday, and H. B. 122, advancing \$10,000 for homestead roads in the Hakalau district. Maul. H. B. 132, advancing \$4500 for homestead reads to beach lots on Maui also passed third read-

In committee of the whole the senate discussed at length the holiday bill, H. B. 79. The question of declaring territorial holidays when the was quickly settled, Coke offering an amendment which was approved, providing that such days shall be observed only in the counties where the elections are held.

This and another amendment of a minor character was made and with these the senate passed the measure on second reading.

Senator Rice, as chairman of the ways and means committee, called a halt to the consideration of promiscu-ous appropriation measures by other committees today.

"In spite of the serious financial condition faced by the territory there are various appropriation bills in the legislature now which would dissipate fully \$100,600 in various more or less projects. We must hold down closely mittee alone can handle them. At 3 o'clock this afternoon the sen-

ate went into secret session to further consider the governor's message No. 2. This is the list of the governor's appointments, most of which were confirmed by the senate early in the session. The balance of the appointments were discussed today.

# ON THE COAST

The annual report of the Paauhau Barbara Raposo has been appoint-Sugar Plantation Company for the year 1914, shows a harvested crop of 10,766 tons and an estimate for 1915 of 10,000 tons, while the 1916 crop is reported to be a little backward. The annual meeting of the company was called to meet at 3:30 e'clock today, held in San Francisco last week. The net profit before depreciation

for 1914 was \$161,315, and after depreciation \$119,210, out of which dividends to the amount of \$45,000 were paid. The balance sheet shows a splendid condition, the company having net cash on hand of \$197,064, with no liabilities except to stockholders.

The following officers and directors were elected: William Matson, president; Henry St. Goar, first vice-president; A. F. Morrison, second vicepresident; John A. Buck, Charles T. Crocker, R. R. Strange and Charles F. Hanlon, directors.
